

# SAVISTO

2016 Catalogue

## Welcome to Savisto

– where you'll find a very special collection of homeware and kitchen products at amazing prices. At Savisto, premium quality, contemporary design and attention to detail all go hand-in-hand with a commitment to unrivalled value, which means our customers benefit from savings of more than 50% on equivalent high street products.

## Why Savisto?

We're a UK-based retailer of home and kitchenware and we're committed to delivering premium quality coupled with fantastic value. Each of our products undergoes rigorous testing right here in the UK, but in the unlikely event of a problem, our advisors are on hand to resolve it quickly via telephone or email. Our specialists are also able to offer general advice on any of the products featured in our range.

## The Savisto Collection

Looking to make life easier in the kitchen? Savisto has it covered. Each of our handpicked selection of tools and appliances has earned its place in our range precisely because of its ability to make a real difference to the way you live. As with our homeware range, an emphasis on contemporary design means each item will fit in right at home in any stylish kitchen setting.

## Vintage Style Popcorn Maker

SV-KITC-Z058

- Create authentic cinema-style popcorn in minutes!
- The Aluminium Heat Chamber cooks the popcorn with hot air, so no need for oil or butter.
- A spout in the top cover lets the heat out the top and ejects the popcorn down to a waiting bowl.
- The pack comes with 6 popcorn cartons included.

# Granite Pestle & Mortar

SV-KITC-Z001

- 100% Solid Granite: Premium quality granite will not absorb any liquid allowing you to easily extract oils from herbs and spices and add them to your favourite recipes.
- Contemporary & Rustic: Whether you're into home cooking or a professional chef this classic design will suit any kitchen.
- Ideal for grinding, crushing and pounding spices and herbs to make pastes, seasoning, dressings and pesto.
- Large 12cm wide interior means less chance of spillages while grinding.
- Mortar size: 15.5cm x 8cm / Pestle size: 16cm x 4cm.

# Marble Rolling Pin With Display Stand

SV-KITC-Z028

- Made from high quality heavyweight marble, this large rolling pin will ensure an even roll every time.
- Solid marble allows this rolling pin to stay cool even on warm days, making it ideal when baking pastry, dough and pasta.
- This professional rolling pin is extremely hygienic and easy to clean thanks to the smooth non-stick marble design.
- Includes a complementary display stand for easy storage; allowing you to keep your worktop tidy and presentable.
- Pin Length: 380mm | Pin Diameter: 40mm | Stand Length: 110mm | Stand Width: 50mm | Stand Height: 27mm.

# Pizza Stone & Cutter

SV-KITC-Z032

- Introducing the Savisto Pizza Stone; a sturdy, durable and stylish baking accessory; perfect for an authentic Italian stone-baked crust.
- Package contents includes a 13 inch ceramic pizza stone, a stainless steel rack, and pizza wheel.

## Burger Maker (Metal)

SV-KITC-Z012

- Savisto Burger Maker: Make perfect home made burger with a die-cast metal or spring loaded, plastic press.
- Healthy & Delicious: Use the discs provided to preserve moisture and flavour.
- Consistent size and thickness every time: Burgers come out tightly packed making them more evenly cooked throughout.
- Easy to use and clean: Just add the ingredients and press. Cleaning is made easier due to the discs covering most of the press.

## Burger Maker (Plastic)

SV-KITC-Z011

## 100 Paper Disks for Plastic Burger Maker

SV-KITC-Z013

## 100 Paper Disks for Metal Burger Maker

SV-KITC-Z014

# Vegetable Spiralizer

SV-KITC-Z054

- The Savisto food spiraliser is easy to use and incredibly versatile; perfect for use with a wide range of fruit and vegetables.
- The tri-blade design gives you interchangeable stainless steel blades for three different shapes of cuts, each with their own style and thickness. When not in use, the extra blades can slot neatly into the base of the spiralizer.
- An ideal tool for a gluten / carb free or vegetarian / vegan diet; this spiralizer is perfect for making vegetable based noodles for stir fries or a fresh salad.
- The manual handheld machine provides an efficient way to produce healthy meals. An easy to use turning handle makes cutting and spiralizing your ingredients effortless.
- Dimensions: 220mm Height | 290mm Width | 145mm Depth.

# 28cm Aluminium Grill Pan With Black Detachable Handle

SV-KITC-Z033

- Improve your collection of pots and pans with this high quality, cast aluminium square griddle pan from Savisto; enjoy perfect chargrilled foods every time without needing to bust out the BBQ or grill.
- A specialised induction base makes this pan suitable for all types of stove-tops including those with a gas, induction or electric hob.
- A double layered, non-stick coating reduces the need for as much (or any!) oil or fat while cooking and makes cleaning up afterwards a hassle free experience. The pan also has a convenient lip on either side, allowing you to easily drain away excess fluids.
- Featuring a fully detachable handle to allow for easy storage and cleaning; this also allows the pan to be placed in an oven or under a grill as the pan itself (not the handle) is ovenproof.
- Dimensions (with handle): 290mm x 500mm x 40mm. Weight: 1.0kg.

# Griddle Plate

SV-KITC-Z038

- Built to be reversible allowing you more choices when cooking. One side of the plate features a ridged design ideal for cooking meat and fish to give them a perfectly chargrill seared texture. You'll find the other side is flat, for use as a hotplate which can be used to cook foods such as tomato, eggs and mushrooms.
- The cast iron build has been treated with a non-stick coating letting you grill your food without worrying about it getting stuck to the plate. When your done cooking, the clean-up couldn't be easier; simply hand wash and towel dry.
- Designed with healthy eating in mind, the plate uses channels and a drip tray to drain fats and oils away from your food. The end result is healthier and fat free food.
- Features two integrated handles for safe and easy lifting; whether you're using it in the kitchen or outside on the barbeque, you'll find the design does nothing but benefit your food with its heat distribution & diversion of fats and oils.
- Dimensions: 530mm x 260mm x 110mm, Weight: 3.5Kg

## Silicone Spatula

SV-KITC-Z017

- Perfect for baking: Flexible edges make this spatula easy to use for spreading icing, butter and decorating cakes.
- Easy to clean: The durable non-stick and stain resistant silicone surface makes cleaning far easier and more hygienic than traditional spatulas.
- Heat resistant: Safe to use on temperatures up to 260° C.
- Easy grip handle: Textured handle with hanger slot.
- Dimensions: Length 29cm Max Width 5.5cm (Dishwasher safe).

## Silicone Brush

SV-KITC-Z018

- Perfect for baking: Flexible silicone bristles are moulded to the handle to ensure they will not fall out into your food while glazing or basting.
- Easy to clean: The durable non-stick and stain resistant silicone surface makes cleaning far easier and more hygienic than traditional brushes.
- Silicone bristles retain liquids for easy transport and glide gently over pastries.
- Heat resistant: Safe to use on temperatures up to 220° C.
- Easy grip handle: Textured handle with hanger slot.

# Salt & Pepper Grinder

## ■ Silver

SV-KITC-Z019

## ■ Black

SV-KITC-Z022S

## ■ Silver - 2 Pack

SV-KITC-Z019SP

## ■ Black - 2 Pack

SV-KITC-Z022SP

## ■ Red - 2 Pack

SV-KITC-Z021SP

- This Savisto stainless steel salt and pepper mill can be used with any peppercorns, salt crystals, dried herbs and spices giving it versatility in the kitchen.

- Suitable for measuring ambient and food temperature - Brilliant for Roasted, Grilled, BBQ or fried foods / meat.
- Temperature range: -50°C to +300 °C (- 58°F to +572 °F) making it versatile for all culinary purposes. Thermometer is accurate to approximately 1°C.

# Oven Thermometer

SV-KITC-Z015

- The Savisto Stainless Steel Oven Thermometer is an accurate and compact kitchen accessory that will enhance any food preparation - can be placed or hung from an oven shelf or rack.
- Designed to work with all ovens and can measure temperatures from 50 °C - 300 °C (100 °F - 600 °F) making it one of the most versatile pieces of kitchen equipment available.
- Not only can this handy utensil be used in an oven/cooker it can be used with BBQs to ensure optimal cooking temperatures for food health and safety.
- Size of thermometer: 76mm/3" in height, 63mm/2.5" width and 40mm/1.3" depth.

# Milk Thermometer

SV-KITC-Z015

- Savisto Milk Thermometer - Features include an accurate gauge which indicates optimal frothing temperatures for hot drinks such as lattes, cappuccinos, mocha and hot chocolates.
- Made from high quality stainless steel and with a built-in clip that attaches to milk jug for extra security whilst heating, steaming and frothing milk - Length of probe 127mm.
- The gauge measures from -10C to 100C (0F to 220F) enabling versatility for cold and hot beverages and can be used in a domestic or commercial kitchen.

# Double Walled Cafetiere Set

**350ml (3 Cup)**

SV-KITC-Z003

**800ml (6 Cup)**

SV-KITC-Z004

**1ltr (8 Cup)**

SV-KITC-Z005

- Enjoy a hot, fresh barista style coffee every time with this modern, high quality stainless steel cafetiere set from Savisto; featuring double walled insulation designed to keep your coffee warm for up to 2 hours.
- With a stylish, mirrored silver finish, this designer French cafetiere set will look good in any canteen or cafe and beats a traditional coffee pot in both style and performance. The convenient spout and heat proof handle also make serving easy.
- Suitable for domestic or commercial use; add the finishing touch to your home, kitchen or café with this great metal insulated coffee maker. Also makes a perfect gift for family and friends.
- Also included is a single, unique, two in one spoon suitable for measuring out the perfect amount of course or fine ground coffee beans and then clipping the coffee bag shut when not in use.
- Available in three sizes: 350ml (3 cup), 800ml (6 cup) and 1litre (8 cup). Enjoy peace of mind with a Savisto 2 year guarantee.

- Add a touch of modern style to your kitchen collection with this high quality, black tempered glass scale from Savisto; perfect for weighing various cooking and baking ingredients such as spices, flours, grains and herbs.
- Featuring a crystal clear LCD display with both metric and imperial readings and advanced touch sensitive buttons, allowing you to easily cycle between gram, pound and ounce for an accurate reading every time.
- A precise TARE function can reset the current weight on the scales to zero; this allows you to use a container to hold the items being weighed, while still providing a reading accurate to 1 gram.
- Supports a maximum weight of 5 kg / 11 lb / 176 oz and the convenient food overload indicator will alert you if you are over the limit to prevent damage and an inaccurate measurement.

## Glass Platform Scale

SV-KITC-Z039

## Stainless Steel Coffee Spoon

SV-KITC-Z007

- Made out of high quality 18/8 stainless steel, the Savisto coffee spoon features a deep recess which enables you to collect the precise amount of coffee you require, without the attendant risk of spillage.
- It's suitable for use with all home coffee machines, cafetieres and espresso makers, and is equally adept at measuring ground coffee beans and instant coffee granules - ensuring maximum versatility, no matter which you prefer!
- Once you're done measuring out your coffee, the handy "clipper" attached to the coffee spoon's handle can be used to affix the spoon to the top of your coffee packet. This keeps the bag firmly closed, ensuring the coffee beans inside remain fresh. It also ensures your coffee spoon is always to hand when you need it.

# 350ml Milk Jug

SV-KITC-Z006

- Extend your range of kitchen supplies with this modern metal pitcher from Savisto. Perfect for your tea and coffee set.
- Made from high quality stainless steel, this small liquid jug is an ideal piece of kitchenware for any home, restaurant or aspiring barista.
- A large spout offers precision pouring allowing for creative latte and espresso making and makes avoiding spillages easy.
- Suitable for both hot and cold fluids, the unique extended handle makes for easier use without touching the jugs centre, thus avoiding burns when the contents are hot.
- Capable of holding up to 350ml (12froz), this little piece of equipment can be easily stored away when not in use.

### Company Particulars

Business Name: Savisto LTD

Business Type: Limited Company registered in England & Wales

Company Registration Number: 09283436

Registered Office and contact address:

1 Sadler Forster Way,  
Teesside Industrial Estate  
Thornaby-on-Tees  
TS17 9JY  
United Kingdom.  
Email: sales@savisto.co.uk  
Tel: 01642 309777.

VAT Number GB 197705563

### About these terms & conditions

The following terms and conditions apply to all transactions with Savisto Ltd. The use of this website and the placement of an order indicates your acceptance of these terms and conditions. Please read them carefully and print a copy for future reference. Please also note that these terms and conditions are subject to change at any

time. Changes made will be posted on this site and the new terms will come into effect from the date of posting.

### Descriptions and pricing of products

The intention of Savisto Ltd is to provide accurate and correct information and to ensure the descriptions, images and other information relating to products published on this website provide an a useful description of those products. The descriptions are not, however, full specification lists. By accepting these terms and conditions you accept that you are not entering into the contract in reliance upon any such descriptions.

In the event that customers have further enquiries about the products, such enquiries should be addressed direct to Savisto Ltd on sales@savisto.com.

In the event a product is listed at an incorrect price due to typographical error or error in pricing information from a supplier, or if any errors arise in relation to taxes, duties or other charges, we shall have the right to refuse or cancel any orders listed at the incorrect price, whether or not such orders have been confirmed. Under such circumstances, if payment has already been made,

we shall arrange an immediate refund.

Except where otherwise stated, the prices per unit advertised on this website exclude VAT and all other applicable taxes or duties and exclude delivery charges which will be payable as indicated at the time of placing your order.

### Minimum order value, delivery charges, VAT and volume discounts

The standard minimum order from Savisto Ltd is £200.

Delivery is based on volume and weight per shipment and may vary.

UK orders in excess of £1500 come with free delivery.

Customers outside the UK should contact us for confirmation of delivery prices.

VAT (currently 20%) will be added, as standard, to all orders.

### Other important delivery information

Delivery is effected via third parties (usually Royal Mail or DHL). As such, we cannot guarantee delivery times and any timeframes referred to are to be considered as a general guide only. Time is not of the essence in relation to any contract entered into.

Savisto Ltd will look to ship your order within 24 hours of receipt and confirmation. For larger orders and in the case of issues over availability, it may take slightly longer to despatch your order. Under such circumstances, we shall endeavour to keep you updated as to progress.

Please note that if you submit a wrong or incomplete delivery address, this is likely to result in delay. In any event, we shall not be liable for any loss or damage arising directly or indirectly from late delivery.

### Important points relating to payment

Depending on the circumstances, and for your security, we may place your order on hold temporarily whilst we carry out a simple verification of your details. This will quite often involve a very brief phone call.

### Important points relating to your contract

No contract for the sale of any product exists between you and Savisto until we despatch your order.

In some circumstances, issues with stock levels may mean we are unable to fulfil certain parts of your order. If this is the case, we will contact you via email or telephone to let you know and to suggest alternative, similar products to resolve the issue to your satisfaction.

Shortly after your order has been placed, you will receive (via email) an invoice detailing the order – including VAT, delivery charges and/or any other applicable taxes, duties and charges. Once payment is received, your order will be processed.

We reserve the right, at our sole discretion, to cancel or refuse any order for any reason at any stage of the ordering process, including after an

order has been submitted. The acceptance of an order does not place us under obligation to enter into any further contractual arrangements with you at a future date; nor does it confer on you any exclusive geographical rights or preferences.

### Important points relating to resale

The products featured in this catalogue may be resold subject to certain important conditions. Please pay careful attention to the following:

#### You may:

- Resell products from this catalogue on your website, offline shop, market stall or any other outlet EXCEPT THAT you may not resell products on any Amazon store or e-bay store (see below)
- Determine your own resale price
- Repackage products (save for the restrictions below)
- Use any and all images from this catalogue for the purpose of selling our products (save that copyright in said material shall remain with Savisto Ltd)
- Use our branded logos and those of brands sold in this catalogue for the purposes of advertising to assist in resale

#### You may not:

- Resell Savisto (or any other branded products sold on this site) on Amazon or e-Bay. Merchandisers have exclusive rights for selling these products on those specific platforms and failure to comply with this condition may result in you being barred from selling on those platforms
- Conduct any activities in relation to resale or promotion of products purchased in this catalogue in such a manner that may reasonably be regarded as likely to bring Savisto Ltd or any of the brands carried in this catalogue into disrepute
- Repackage or sell other products, designs or brands as Savisto or any other brand sold in this catalogue from time to time
- Hold or purport to hold exclusive resale rights to a geographical area with no competition
- Hold yourself out as an employee, agent or representative of Savisto Ltd or any other brand featured in this catalogue

#### Savisto Ltd returns policy

You may cancel an order prior to the order being processed by telephoning Savisto Ltd on 01642 309777.

Savisto operates a 7-day returns policy. You may withdraw from the contract of sale by sending emailed confirmation of your wish to cancel the order to sales@savisto.com. This must be sent within seven days of receipt of the goods.

It is your responsibility to check orders on receipt. Any issues regarding stock quantities must be reported to us within 7 days of receipt of the order. Savisto Ltd shall not be liable for lost, damaged or defective goods unless you provide us with written notice as soon as possible (and in any case, within seven days of receipt of the goods) or, (where the defect was not apparent on reasonable inspection) within three months of the date of the invoice, specifying with reasonable detail any matter whereof it is alleged that the goods are defective.

The cost of returning the goods is at your own expense. Once we have received the items, unopened and undamaged, we will provide you with a full refund. Our liability for lost, damaged or defective goods extends only as far as replacing

the said item, or, at our option, repaying a corresponding proportion of the price paid by you. No further liabilities shall rest with us.

#### General points

These terms and conditions are subject to the laws and exclusive jurisdiction of England and Wales. So far as is permitted by law, these terms and conditions shall supersede any conditions, warranties, rights or obligations, either express or implied that exist in statute, common law or otherwise.

For any queries relating to our terms of service, contact us on 01642 309777.
